

BounceLOL

Terms of Service

Effective Date: April 18, 2026

1. Acceptance of Terms

By downloading, installing, or playing BounceLOL ("the Game"), you agree to be bound by these Terms of Service ("Terms"). If you do not agree to these Terms, please do not use the Game. If you are under 13 years of age, a parent or legal guardian must review and agree to these Terms on your behalf.

2. Eligibility

BounceLOL is available to users of all ages. However:

- Users under the age of 13 must have a parent or guardian's permission to play.
- The Google Play Games leaderboard feature requires a Google Account, which is subject to Google's own age requirements (typically 13+ in most countries).
- By using leaderboard features, you confirm you meet Google's eligibility requirements or have parental consent.

3. The Game and Features

BounceLOL provides the following features:

- Core gameplay available to all users.
- A global leaderboard powered by Google Play Games Services, which requires signing in with a Google Account.
- In-game advertisements served by third-party ad networks.

4. Advertisements

BounceLOL is free to play and supported by advertising. By playing the Game, you agree that:

- Ads may be displayed during gameplay, including banner ads, interstitial ads, and rewarded ads.
- Ads are served by third-party networks (such as Google AdMob) and are subject to their own terms and privacy policies.
- We do not control the specific content of ads displayed, but we comply with Google Play's advertising policies.
- Rewarded ads are optional — you are never required to watch an ad to continue playing.

5. Google Play Games Leaderboard

The leaderboard feature uses Google Play Games Services. By using this feature:

- You must sign in with a valid Google Account.
- Your in-game display name and score will be visible to other players on the leaderboard.

- Your use of Google Play Games Services is also governed by Google's Terms of Service and Privacy Policy.
- We are not responsible for any issues arising from your use of Google services.

6. User Conduct

When using BounceLOL, you agree not to:

- Use cheats, bots, hacks, or any unauthorized third-party software to manipulate scores or gameplay.
- Attempt to exploit bugs or glitches to gain an unfair advantage.
- Engage in any activity that disrupts or interferes with the Game or its servers.
- Impersonate another player or person on the leaderboard.

We reserve the right to remove scores, ban accounts, or restrict access for violations of these rules.

7. Intellectual Property

All content within BounceLOL, including but not limited to graphics, audio, game mechanics, code, and branding, is owned by or licensed to the developer. You may not:

- Copy, reproduce, or distribute any part of the Game without written permission.
- Reverse engineer, decompile, or create derivative works based on the Game.
- Use the Game's name, logo, or assets for commercial purposes.

8. Disclaimer of Warranties

BounceLOL is provided "as is" and "as available" without warranties of any kind, express or implied. We do not guarantee that the Game will be uninterrupted, error-free, or free of viruses or other harmful components. Your use of the Game is at your sole risk.

9. Limitation of Liability

To the fullest extent permitted by applicable law, we shall not be liable for any indirect, incidental, special, consequential, or punitive damages arising out of or related to your use of BounceLOL, even if we have been advised of the possibility of such damages.

10. Changes to These Terms

We may update these Terms from time to time. If we make material changes, we will notify you through the Game or via the app store listing. Your continued use of the Game after changes are posted constitutes your acceptance of the new Terms.

11. Termination

We reserve the right to suspend or terminate your access to BounceLOL at any time, without notice, for conduct that we determine violates these Terms or is otherwise harmful to other users, us, or third parties.

12. Governing Law

These Terms shall be governed by and construed in accordance with the laws of the jurisdiction in which the developer is based, without regard to its conflict of law provisions.
